

SmartWerk PRO: Bonus Tools & Features

SmartWerk PRO is designed for ambitious freelancers and ZZP'ers in the Netherlands who want to go beyond basics.

Here's what you unlock with PRO access:

ADVANCED GPT TOOLS:

- AI Invoice Generator: Instantly create perfect invoices with KvK, BTW, IBAN.
- Tax Reserve Optimizer: Calculate exactly how much to save for taxes.
- Expense Explainer: Paste your CSV and get a full analysis with GPT comments.
- Contract Writer: Create freelance contracts or general terms & conditions (EN/NL).

READY-TO-USE TEMPLATES:

- Dutch & English invoice samples with explanations.
- Onboarding email templates for new clients.
- Freelance offer templates with GPT guidance.

SMART BUSINESS SUPPORT:

- Cashflow Forecasting: Predict your income & spending.
- Smart Tax Reminders: Never miss a quarterly BTW deadline.
- Monthly 'AI Insights' on how to improve your freelance income.

EARLY ACCESS:

- SmartWerk Mobile App (soon in App Store & PWA)
- Multilingual support (EN/NL/UA/PL beta)
- Priority for your feedback & feature requests

SUPPORT:

Email us at smartwerk.team@gmail.com with any question or idea.

We're building the smartest freelance assistant in Europe - with your help!
