

SmartWerk Tax Calculator — Benefits Section

This section helps determine if you qualify for Dutch tax deductions and benefits. Answer honestly. AI will calculate your eligibility automatically.

1. Are you a registered ZZP (self-employed) with the KvK?
☐ Yes ☐ No
2. Have you worked at least 1,225 hours this year as a freelancer?
☐ Yes ☐ No ☐ Not Sure
3. Did you start your business within the last 5 years?
☐ Yes ☐ No
If yes: AI may apply Startersaftrek for you.
4. Did you invest in business equipment above EUR 2,400 this year?
(Example: laptop, tools, machines)
☐ Yes ☐ No
If yes: You may qualify for KIA (Investment Deduction)
5. Do you combine freelance work with a part-time job?
☐ Yes ☐ No
This does not block benefits, but may affect how taxes apply.
6. Are you the only worker in your business?
☐ Yes (solo) ☐ No (I hired others)
7. Did you receive any subsidies or COVID support this year?
(Example: TOZO, TVL)
☐ Yes ☐ No

AI will calculate: zelfstandigenaftrek, startersaftrek, MKB-vrijstelling and KIA if applicable.
