

## ☐ Start Here — Who Are You?

Choose your starting point and unlock tools tailored for your freelance journey

### ☐ I'm completely new to freelancing

Start with: GPT prompts 1-3, invoice template, and Smart FAQ. Your goal is to register and send your first invoice.

### ☐ I already work with clients, but I want to automate

Start with: Client onboarding, price raise prompts, and content planner. Your goal is to save 5+ hours per week.

### ☐ I don't know how to write Dutch letters/emails

Start with: Gemeente reply, payment reminder, CV & cover letter tools. Your goal is to sound professional in Dutch.

### ☐ I need documents (invoice, terms, etc.)

Start with: Invoice, T&Cs, CV, onboarding email. Your goal is to look legit and impress clients.

### ☐ I want to make my business smarter

Start with: ROI calculator, planner, PRO upgrade. Your goal is to grow income and spend less time.

### ☐☐☐☐ I help family/friends with their paperwork

Start with: Email templates, CV translator, and document tools. Your goal is to simplify things for others too.

☐ Smart Tip: Your starting point today decides how fast you move tomorrow.
