

SmartWerk Tax Calculator — Expenses Section

This section helps you list business-related expenses.

The more accurately you track them, the more tax deductions you can receive.

1. What did you spend on digital tools or software?

(Example: Canva Pro, Microsoft 365, AI tools)

2. Did you buy equipment or gear for your work?

(Example: Laptop, phone, camera, drill, uniform)

3. Do you have any monthly subscriptions?

(Example: Adobe, bookkeeping software, business phone plan)

4. How much did you spend on transportation?

(Fuel, public transport, parking — work related only)

5. Did you use your home for work?

☐ Yes ☐ No

If yes: Estimate the percentage used (e.g., 25%)

6. Did you have any marketing or website costs?

(Example: Hosting, domain, ads, logo design)

7. Did you hire any help or outsource work?

☐ Yes ☐ No

If yes: How much did you pay in total?

8. Other business expenses to declare?

(Example: Office supplies, coffee with clients, bank fees)

Tip: AI will match your expenses with tax deduction rules in the Netherlands.
