■ SmartWerk: Core Features Overview — v2.0

Everything included. Everything explained. Everything useful.

■ AI Invoice Generator

• Best for: Freelancers tired of Word templates
• Auto PDF with KvK, BTW, IBAN, numbering
• Reminder for due dates, 21/9/0% VAT supported

■ Expense & CSV Upload

• Best for: People who lose receipts or hate spreadsheets
• Drag-drop CSV from bank
• Auto-category + tax summary

■ GPT-Powered Assistant

• Best for: New freelancers & non-native Dutch speakers
• Ask anything — 'How do I write Gemeente email?'
• Instant response, works in any section

■ Tax & Benefit Estimators

• Best for: Solopreneurs who want full clarity
• Estimate MKB-vrijstelling, KIA, startersaftrek
• Visual output + explanation

■ Prompt Library & Templates

• Best for: Freelancers doing their first client project
• 100+ prompts: CV, client email, website text
• English + Dutch

■ Tax Calendar & Reminders

• Best for: Busy or ADHD freelancers
• Pre-set: BTW (15th), income tax, KvK dates
• Progress bar for mental clarity

■ Save as App (PWA)

• Best for: Anyone with a phone
• 1-tap launch, no app store needed
• Same speed as native apps

■ What Others Don't Have:

• • GPT inside invoice/calculator
• • Real-time feedback: 'What's wrong with my form?'
• • Explains everything in plain language
• • Multilingual (EN/NL/UA) coming soon
• • Built for daily use — not just end of month

■ Built with freelancers. Grows with you.
